# Types of contributions

- Full papers (up to 14 pages)
- Short papers (up to 5 pages)
- Special session proposals
- Extended abstract for poster session (research in progress)

## **Publication**

- All accepted and presented contributions (excepting poster sessions) will be submitted for inclusion in a Springer LNBIP volume.

Annual conference proceedings' of ICDEC from 2017 to 2022 are already available in the digital library of Springer.

- Selected papers may be considered for publication in special or regular issues of partner journals.

# Submission and paper selection

- Researchers are invited to submit scientific papers related to emerging technologies and business innovation.

Submitted papers are selected based on their originality, relevance to the conference topics and scientific quality, and following a double blind peer-reviewing process.

- At least, one of the authors of an accepted submission should attend the conference to present the contribution.
- Papers should be submitted in PDF format through the EasyChair system. English is the only accepted language for writing and presenting papers.
- The submission link will be available soon on the conference website
