# The 12<sup>th</sup> International Conference on Digital Economy

## Emerging Technologies and Business Innovation

### Call for papers

The 12<sup>th</sup> International Conference on Digital Economy (ICDEc) will be held in Neuchâtel, Switzerland from June 2<sup>nd</sup> to 5<sup>th</sup>, 2027.

This conference aims to respond to calls for a multidisciplinary and multi-sectorial approach that study the digital transformation processes.

### Conference topics

The target audience of ICDEc 2027 mainly consists of (but is not limited to) researchers and practitioners in the areas of emerging technologies and business innovation.

#### Emerging technologies

Artificial intelligence, Web Intelligence, Data Science Information System Knowledge Discovery Intelligent Agent System, Cyber-Security, Uncertainty management Cognitive analytics. Blockchain, Deep learning, Recommender IoT systems, Internet of things, Digital Assests, ...

#### Business Innovation

Digital transformation, Digital Business, Digital business models, Digital Business innovation, e-Governance, e-Commerce, Data analytics, Data Driven decisions, Digital Marketing, E-Learning and Cloud Education, E-Health, Competitive intelligence, Social media strategies, Online communication,...

### Types of contributions

- Full papers (up to 16 pages)
- Short papers (up to 10 pages)
- Special session proposals

### Publication

- All accepted and presented contributions (excepting poster sessions) will be submitted for inclusion in a Springer LNBIP volume.

Annual conference proceedings of ICDEc are available in IEEE Xplore for 2016, and from 2017 to 2026 in the digital library of Springer .

- Selected papers may be considered for publication in special or regular issues of partner journals.

### Submission and paper selection

- Researchers are invited to submit scientific papers related to emerging technologies and business innovation.

Submitted papers are selected based on their originality, relevance to the conference topics and scientific quality, and following a double blind peer-reviewing process.

- At least, one of the authors of an accepted submission should attend the conference to present the contribution.

- Papers should be anonymous and submitted in PDF format through the EasyChair system. English is the only accepted language for writing and presenting papers.
